

# August 6 and August 9, 2018

mark the **73<sup>rd</sup>** anniversary of the bombings of Hiroshima and Nagasaki.

**Mothers for Peace** invites you to remember these tragic events by **creating a memorial** for peace and nuclear disarmament. It might be a lit candle, a piece of art, origami crane, a personal shrine... **Inspire others to think and remember** by posting a photo of your creation on social media.

“Let all the souls here rest in peace, for we shall not repeat the evil.”
